

CANDLE RIDGE CEMETERY

LOCATED: The road to the cemetery is the first road to the left off old 25-E, after passing the Gray Baptist Church and the Gray Elementary school. A sign on the left says "Candle Ridge Baptist Church." It is about 1½ miles from old 25 E to the church. The cemetery is in back and along side of the church. Can be seen easily from the road.

There are about 15 to 18 graves marked only with field stones,
mostly baby or children size graves.
